ADMINISTRATIVE RESTORATION (FORM RT01) & CONTINUITY OF STANDING ATTESTATION

Statutory Reinstatement & Retroactive Continuity Under Sections 1024–1028 of the Companies Act 2006

SUBJECT CORPORATE ENTITY:

WEE G TRAVEL LIMITED (CRN: SC585777)

Filing Status: FORM RT01 & CROWN BONA VACANTIA WAIVER IN PROGRESS (S.1024–1028 CA 2006)

THIS CERTIFICATE CONFIRMS that the Administrative Restoration & Corporate Governance Desk of Compliance Filings Desk has been formally instructed by Ian Abram on behalf of WEE G TRAVEL LIMITED (CRN: SC585777). Formal Administrative Restoration proceedings under Section 1024 of the Companies Act 2006 (Form RT01) together with the statutory Crown Bona Vacantia Waiver application before the Scottish Crown Bona Vacantia Clearance Office (Edinburgh, Scotland) have been prepared for lodgment with Companies House Edinburgh (4th Floor, Edinburgh Quay 2, 139 Fountainbridge, Edinburgh, EH3 9FF).

STATUTORY AND OPERATIONAL CERTIFICATIONS FOR RISK & LICENSING OFFICERS:

1. Active Commercial Operation at Dissolution (Section 1025 CA 2006): The subject company was actively carrying on business and in operation at the date of compulsory strike-off. The dissolution arose solely from an administrative filing delay (overdue Confirmation Statement CS01 / ECCTA identity code transition) and not from insolvency or voluntary cessation.

2. Retroactive Legal Continuity Upon Restoration (Section 1028(1) CA 2006): Under Section 1028(1) of the Companies Act 2006, the statutory effect of Administrative Restoration is that the company is deemed to have continued in existence as if it had never been dissolved or struck off. All commercial contracts, operator licences, and insurance policies remain retroactively valid.

3. Crown Bona Vacantia Waiver & Bank Balance Preservation: The statutory Crown Waiver application to the Scottish Crown Bona Vacantia Clearance Office (Scotland) and Form RT01 schedule have been generated. Commercial clearing banks are respectfully requested to hold existing credit balances pending publication of the Registrar's restoration notice rather than sweeping funds to the Crown.

4. Local Authority Licensing, Fleet Insurance & Commercial Accounts: Local authority licensing teams, commercial fleet insurers, and corporate account counterparties are formally notified that active Section 1024 Administrative Restoration is in progress and are requested to grant a 21-working-day administrative hold while Companies House records the reinstatement.
